

CONTINUUM ARTS FOUNDATION presents:

THE CORRINE HANSEN TAYLOR "ART IT FORWARD" SCHOLARSHIP

Have you ever wanted to make a difference in the arts community? We did and that is why the *Corrine Hansen Taylor "Art It Forward" Scholarship* was created. It is to be awarded to a WHS graduating senior in need of financial assistance who is pursuing a career in any area of the arts. *Continuum Arts Foundation* would like to honor a random act of kindness that changed the course of founder Serena Bates' life and career. Corrine Hansen Taylor, a WHS alumnus, class of 1984, once surprised her friend of many years, with an investment into her art career at a crucial time, thus providing support and giving momentum to her art career. One stipulation was made; when the right time came, she was to pay it forward. Now is that time. **Please join use in celebrating the very first endowment of the Corrine Hansen Taylor "Art It Forward" Scholarship.**

The mission at *Continuum Arts Foundation* is to pay it forward by supporting young artists in need. The *CHTAIF Scholarship* will be awarded through the *Artists Cooperative Gallery of Westerly*, the designated 501c3 nonprofit sponsor for Continuum Arts Foundation. The winning recipient will receive a \$1000 award to be used for art education, supplies or equipment, and be given the honor of showing their work or performing at the Cooperative. It is our hope to grow the scholarship fund to include other area schools and adult programs and public art donations. We can't do this alone. Please join us in making a difference in a young creatives life and make a tax-deductible contribution to **"Art it Forward"**.

Thank you so much,

Serena Bates
